Welcome from Kia

The latest engineering techniques have been incorporated into the design and production of your Kia Vehicle. From the moment you get behind the wheel of your new Kia Vehicle, you'll notice how satisfying it feels; a feeling you'll appreciate for as long as you own your Kia Vehicle. You'll also be pleased by how strongly we stand behind every Kia Vehicle. The New vehicle 60 month/60,000 Miles Limited Warranty described in this manual is one of the finest available.

This warranty and consumer manual details the warranties provided by Kia. You should consult this manual and your Owner's Manual to ascertain the maintenance intervals we recommend you follow to maximize the enjoyment and performance of your Kia Vehicle.

In addition, your Authorized Kia Dealer will take care of your service needs using Genuine Kia Parts. Your Authorized Kia Dealer will do all they can to ensure that your vehicle continues to meet all of your expectations.

At Kia, it's not enough to sell vehicles that look pleasing in the showroom. We're committed to making sure you enjoy your Kia for years to come.

Warranty Coverage at a Glance

This overview chart illustrates warranty coverage and term by months and miles. Please refer to the appropriate sections in this book for detailed information regarding each of these warranties.

		WARRANTY TERM (whichever comes first)													
		Months in Service	MILES IN SERVICE												
			10,000	20,000	30,000	40,000	50,000	60,000	70,000	80,000	90,000	100,000	150,000		
LIMITED WARRANTY	Basic	60	60,000												
	Power Train*1	120	Original Owner Only 100,000												
	Service Adjustment	12	12,000												
	Original Equipment Battery	24	Unlimited												
	Paint	36	36,000												
	Audio / Entertainment	36	36,000												
	Anti-Perforation	60	100,000												
EMISSION WARRANTY	Federal	Emissions Defect	24	24,000											
		• Any Related Parts	96	80,000											
	California	Emission Performance	24	24,000											
		• Any Related Parts	96	80,000											
	California	Emissions Defect	36	50,000											
		• Any Related Parts	84	70,000											
		• Specific Parts*2	180	150,000											
	Emission Performance	36	50,000												
	Replacement Parts & Accessories	12	12,000												

NOTE: Tires are warranted by the tire manufacturers.

*1 Original owner 120 Months/100,000 Miles Second and Subsequent Owner(s) 60 Months/60,000 Miles.

*2 Except those specified parts covered by the Federal Emission Performance Warranty.

*3 Spectra SULEV covers specific parts for 180 months / 150,000 miles, whichever occurs first.

What is Covered

Kia warrants that your new Kia Vehicle is free from defects in material or workmanship, subject to the terms and conditions set forth in this manual. An Authorized Kia Dealer will make necessary repairs, using new or remanufactured parts, to correct any problem covered by this limited warranty without charge to you.

1. The Warranty Period

The New Vehicle Limited Warranty is divided into various warranty periods. For the purpose of all warranties contained in this Manual (other than warranties on replacement parts or accessories installed after the Kia Vehicle was placed into use), the warranty period begins on the Date of First Service. "Date of First Service" means the first date the Kia Vehicle is delivered to the first retail purchaser, is leased or is placed into service as a company vehicle use (e.g., as a demonstrator, rental or fleet vehicle), whichever is earliest. Moreover, whenever this manual refers to a warranty period of months/miles, it means whichever comes first. Any remaining portion of any warranty, except the 120 month/100,000 mile Power Train (Original Owner) warranty, is fully transferable to subsequent owners.

2. Warranty Coverage

• Basic Warranty Coverage

Except as limited or excluded below, all components of your new Kia Vehicle are covered for 60 months/60,000 miles from the Date of First Service, whichever comes first (Basic Limited Warranty Coverage). This Warranty does not cover wear and maintenance items, or those items excluded elsewhere in the Manual. See "Exceptions" and "What is Not Covered."

Parts replaced under any warranties in the Manual become the property of Kia.

• Power Train Coverage

For Original Owners (defined below), the Power Train Limited Warranty begins upon expiration of the 60 month/60,000 mile Basic Limited Warranty Coverage, and will continue to cover the following components up to 120 months or 100,000 miles from the Date of First Service, whichever comes first. It does not cover normal wear and tear, maintenance, or those items excluded elsewhere in this manual. See "Exceptions" and "What is Not Covered."

The items covered by the Power Train Limited Warranty include:

- **In the Engine:** Cylinder block, cylinder head and all internal parts, timing gear, seals and gaskets, valve cover, flywheel, oil pump, water pump.
- **In the Transaxle:** Transmission case and all internal parts, torque converter, drive shafts, universal joints, front hubs, bearings, seals and gaskets.
- **In the Axles:** Axle shafts and C-V joints (couplings), seals, hub and wheel bearings.
- **In the Transmission:** Transmission case, transfer case, torque converter and all internal parts, seals, and gaskets.
- **In the Differentials:** Front and rear differential assemblies, cases, all internal parts, seals and gaskets.
- **In the Propeller Shafts:** Drive shafts, universal joints.

- **Original Owner**

An Original Owner is defined as the first retail purchaser or lessee of the Kia Vehicle who takes delivery of the Kia Vehicle on its Date of First Service. If the Kia Vehicle was first placed in service as a lease vehicle, and the lessee purchases the vehicle at the end of the lease, the 120 month/100,000 mile Power Train Limited Warranty remains in effect. The Power Train Limited Warranty is not transferable to subsequent owners.

- **Vehicles Placed in Commercial Service**

The 120 month/100,000 mile Power Train Limited Warranty also excludes all coverage for any Kia Vehicle that has been placed into any form of commercial service, including but not limited to taxi, route delivery, livery service, or rental.

- **Adjustment Coverage**

Service Adjustments are covered for the first 12 months/12,000 miles. Service adjustments means minor repairs not usually associated with the replacement of parts, such as wheel balance and

alignment, freeplay or tension adjustments of cables, belts, levers and pedals, engine adjustments (idle speed, etc.), body parts and fittings.

3. Exceptions

The items specified below are covered for periods different from the basic coverage.

- **Air Conditioner Refrigerant Charge**

Air conditioner refrigerant charge is covered for the first 12 months of the warranty period regardless of mileage. Over the balance of the warranty period, refrigerant charge is covered only when replenished as part of a warranty repair.

- **Audio / Entertainment System**

An original equipment radio, cassette, tape drive or compact disk player, OE DVD / RSE (Rear Seat Entertainment System) is covered for the first 36months/36,000 miles.

- **Battery**

Warranty Coverage

The original equipment battery is covered by a limited warranty a period of 24 months, regardless of mileage. During 24 months of the warranty period, a defective battery will be replaced at no cost to you. Kia will cover diagnostic, installation and replacement battery costs.

Kia will not reimburse you for any portion of the cost of a non-Kia replacement battery.

- **Paint**

Paint repairs are covered for the first 36 Months/36,000 miles.

- **Seat Belt Warranty-Kansas**

The seat belts in Kia Vehicles originally sold in the State of Kansas are covered under the New Vehicle Limited Warranty for a period of 10 years, regardless of mileage, when the repairs are performed by an Authorized Kia Dealer in Kansas.

4. Limited Liability

The liability of Kia under this warranty is limited solely to the repair of Kia-supplied replacement of parts which are defective in material or workmanship. Such repair or replacement shall be carried out by an Authorized Kia Dealer at its place of business, and specifically does not include any expense for or related to transportation to such a dealer or payment for loss of use of the Kia Vehicle.

What is Not Covered

The following items are not covered:

Damage due to Factors Beyond the Manufacturer's Control.

Examples of these factors include, but are not limited to:

- Misuse of the Kia Vehicle such as driving over curbs, or into roadway maintenance or construction areas, overloading the vehicle, racing or engaging in activities or uses not described in your owner's manual or in Kia's product literature.
- Accidents and incidents that damage the Kia vehicle including but not limited to collision, fire, theft, riot.
- Alteration, modification, tampering, rewiring.
- Damage or corrosion from the environment such as acid rain, airborne fallout (chemicals, tree sap, etc.), salt, road hazards, hail, wind storm, lightning, floods and acts of God.
- Cosmetic conditions or corrosion permitted by chipping or scratching the paint.

Damage due to Lack of Maintenance or the Use of Wrong Fuel, Oil or Lubricants.

- Improper maintenance or the use of other than the specified fuel, oil or lubricants recommended in your Owner's Manual.

Normal Deterioration

- Normal wear and tear or deterioration including the wearing out of friction wear parts such as brake pads and brake drums as well as spark plugs, worn brake pads/linings, worn clutch linings, filters, worn wiper blades, bulbs and fuses, other wear and consumable items.
- Surface corrosion on any part other than the body sheet metal panels forming the exterior appearance of a Kia Vehicle.

Normal Maintenance

- Normal maintenance services such as: cleaning and polishing, minor adjustments, lubrication, oil/fluid changes, filters, anti-freeze coolant replenishment, wheel alignment and tire rotation unless such services are performed as part of a covered warrantable repair.
- Normal maintenance items (see bottom of this paragraph) are warranted only when the replacement

is the result of a defect in material or workmanship, and only for 12 month/12,000 miles, whichever occurs first, or up to the first scheduled maintenance replacement interval. (Normal maintenance items include belts, brake pads and linings, clutch linings, filters, wiper blades, and bulbs).

- Maintenance services described as “Scheduled Maintenance Services”, “Owner Maintenance Services” or “Appearance Care” in your Owner’s Manual.

Altered Mileage

- Any repair of a Kia Vehicle on which the odometer has been altered or on which the actual mileage cannot be reasonably determined.

(When replacing the speedometer, the “Speedometer Replacement Record” on the inside front cover of this manual must be filled in by an Authorized Kia Dealer).

Extra Expenses and Damages

- Any economic loss or other incidental, special, consequential, or exemplary damages. This includes,

without limitation, payment for loss of use of the Kia Vehicle, lodging, car rentals, travel costs, loss of pay and any other expenses or damages.

Tires

- Tires are warranted by the tire manufacturers and not by Kia. Refer to the tire warranty pamphlets provided with your Kia Vehicle for details.

Salvage or Total-Loss Vehicles

- Any Kia Vehicle that has ever been or should have been issued a “salvage” title or similar “branded” title under any state’s law; or has been declared a “total loss” or equivalent by a financial institution or insurance company. This exclusion does not apply to Emission Warranties, Replacement Parts Limited Warranty or any recalls or campaigns.

Production Changes

- Kia and its Authorized Kia Dealers reserve the right to make changes in vehicles built and/or sold by Kia and its Authorized Kia Dealers at any time without incurring any obligation to make the same or similar changes on vehicles previously built and/or sold.

Your Responsibilities in Order to Maintain Your Warranties

Maintenance

You are responsible for properly operating and maintaining your Kia Vehicle in accordance with the instructions described in your Owner's Manual. If your vehicle is used under severe driving conditions, you must follow the maintenance requirements described in your Owner's Manual for severe driving conditions in order to maintain your warranties.

Maintenance Records

You should retain maintenance records since it may be necessary in some instances for you to prove that the required maintenance has been performed. The "Scheduled Maintenance Record" beginning on page 36 should be filled in when regular maintenance is performed. Keep all receipts and make them available in case questions rise about the services requested and provided.

To Get Warranty Service

You must take your Kia Vehicle, along with this manual, to an Authorized Kia Dealer in the United States during its normal service hours. While any Authorized Kia Dealer will perform warranty service, Kia recommends that when possible you return to the dealership where you purchased your Kia Vehicle in order to ensure continuity in service and maintenance. If you have any questions or need assistance regarding this warranty, refer to "When You Need to Talk to Kia" starting on page 43.

Other Terms

This warranty is applicable to Kia Vehicles registered and normally operated in the United States.

Service and Maintenance Outside the United States

If you are going to be driving outside the United States, it is important that you contact us at (800) 333-4542 in order to determine what service and warranty coverage is available in the area you will be travelling.

THE DURATION OF ALL IMPLIED WARRANTIES, IF ANY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS, ARE LIMITED RESPECTIVELY TO THE DURATION OF THESE EXPRESS WARRANTIES.

THESE WARRANTIES ARE GIVEN IN LIEU OF ALL OTHER EXPRESSED WARRANTIES (EXCEPT ANY SET FORTH SEPARATELY IN THIS MANUAL) ON THE PART OF KIA MOTORS AMERICA, INC. OR THE AUTHORIZED KIA DEALER SELLING YOUR KIA VEHICLE. NO DEALER, OR ANY AGENT OR EMPLOYEE THEREOF, OR ANY OTHER PERSON, IS AUTHORIZED TO EXTEND OR ENLARGE THESE WARRANTIES. KIA MOTORS AMERICA, INC. SHALL NOT BE LIABLE FOR ANY ECONOMIC LOSS, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR EXEMPLARY DAMAGES, OR ANY SERVICE NOT EXPRESSLY PROVIDED FOR HEREIN.

Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Anti-Perforation Limited Warranty

Kia Motors America, Inc. warrants that the body sheet metal panels of your new Kia Vehicle are free from defects in materials or workmanship which could result in perforation (a hole through the body panel) due to corrosion, subject to the following terms and conditions.

An Authorized Kia Dealer will either repair or replace without charge to you any body sheet metal panel perforated due to corrosion resulting from defects in material or workmanship under normal use.

1. Warranty Period

The warranty period is for the first 60 month/100,000 miles from the date of first retail delivery or when it is first put into service, whichever comes first.

2. What is Not Covered

- Any perforation due to corrosion of the Kia Vehicle which is caused by industrial fallout, accident, damage, abuse, vehicle modifications or damaging or corrosive cargo in the Kia Vehicle.
- Any surface corrosion of the Kia Vehicle which does not result in perforation, such as that caused

typically by sand, salt, hail or stones.

- Any perforation due to corrosion of a part of the Kia Vehicle which is not a body sheet metal panel. As used herein, "body sheet metal panel" specifically excludes all parts which are components of the exhaust system of the Kia Vehicle.
- Defects or damage resulting from the use of parts not sold or approved by Kia including the resultant damage to associated parts or systems.
- Any perforation due to corrosion of the Kia Vehicle caused in whole or in part by a failure to maintain the Kia Vehicle in accordance with the procedures specified in paragraph 3. "Your Responsibilities"

3. Your Responsibilities

Inspect the body sheet metal panels of your Kia Vehicle on a regular basis (at least monthly) to detect any chips or scratches in the paint or protective coating and to repair them immediately.

Special care should be taken to protect your Kia Vehicle from corrosion under the following conditions:

- If you drive on salted roads, or if you drive near the ocean, flush the underbody as needed, and at least weekly with clean unsalted water.
- It is important to keep the drain holes in the lower edges of the body clear.
- If your Kia Vehicle is damaged due to an accident or any event which may cause damage to the paint, have your Kia Vehicle repaired as soon as possible.
- If you carry special cargo, such as chemicals, fertilizers, deicing salt, or other corrosive substances, be sure that such materials are well packaged and sealed. Any leakage of such materials will void this warranty where the leakage has occurred.
- If you drive frequently on gravel roads, we recommend that you install stone guards behind each wheel.

4. To Get Warranty Service

You must take your Kia Vehicle, along with this manual, to any Authorized Kia Dealer in the United States during its normal service hours.

If you have any questions or need assistance regarding this warranty, refer to the “When You Need to Talk to Kia” starting on Page 43.

5. Limited Liability

The liability of Kia under this warranty is limited solely to the repair or replacement of Kia-supplied parts defective in material or workmanship by an Authorized Kia Dealer at its place of business, and specifically does not include any expense of or related to transportation to such a dealer or payment for loss of use of the Kia vehicle during warranty repairs.

6. Other Terms

The “Other Terms” stated on page 10 in the New Vehicle Limited Warranty section of this manual also apply to this warranty.

Emission Warranty Definitions

- (a) "EPA" means the U.S. Environmental Protection Agency.
- (b) "Owner" means the original and each subsequent owner of a Kia Vehicle.
- (c) "Kia Part" means a part sold by an Authorized Kia Dealer, whether new or remanufactured, and supplied by Kia.
- (d) "Emission Warranty Part" means a catalytic converter, thermal reactor, or other component installed on or in a Kia Vehicle by or at the direction of Kia for the sole or primary purpose of reducing the Kia Vehicle's emissions (not including those vehicle components which were in general use prior to model year 1968 and the primary function of which is not related to emission control). A list of typical Emission Warranty Parts is set forth at the end of this warranty.
- (e) "Certified Part" means a replacement part for a Kia Vehicle certified in accordance with after market part certification regulations issued by the EPA.
- (f) "Written Maintenance Instructions" means those maintenance and operation instructions, together with the time and/or mileage interval at which such maintenances are to be performed, specified in the Owner's Manual for the Kia Vehicle or this Warranty and Consumer Information Manual as being necessary to assure compliance of the Kia Vehicle with applicable emission standards during the term of this warranty, as specified by law.

Emission Defect Warranty

Vehicles Equipped with a California Certified Emission Control System and registered or normally operated in the State of California or any other state *that adopts California emission warranty provision are also entitled to the California Emission Warranty. (See to Page 25 of this Manual).

***California, Connecticut, Maine, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, Vermont.**

Kia Motors America, Inc. warrants to the ultimate purchaser, and each subsequent purchaser, that your Kia Vehicle is (1) designed, built, and equipped so as to conform at the time of sale with the applicable regulations of the United States Environmental Protection Agency (the "EPA"), and (2) free from defects in materials and workmanship which would cause it to fail to conform with the applicable regulations for a period of vehicle operation that does not exceed 24 months or 24,000 miles, whichever occurs first, if the failed Emission Warranty Part is listed in the 24 Month/24,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty or for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever occurs first, if the failed

Emission Warranty Part is listed in the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty. The applicable warranty period shall begin on either the date the Kia Vehicle is sold to the first retail owner, or on the date the Kia Vehicle is first placed in service (for example if used as a demonstrator, lease, or company car), whichever is earlier. If there should be such defects within this period, Kia will, at its option, repair or replace them with new or remanufactured parts, free of charge at an Authorized Kia Dealer in the United States and the liability of Kia under this warranty is solely limited to such repair or replacement.

This warranty does not apply to or include repair or replacement required, not as a result of defects in materials or workmanship of Kia but, as a result of such factors as (i) accidents, (ii) misuses, (iii) lack of proper maintenance, (iv) repairs improperly performed or replacements improperly installed by any person other than a Kia Dealer, (v) a replacement part or accessory not conforming to the Kia specifications, or (vi) any of the items listed under "What is Not Covered" in the New Vehicle Limited Warranty on pages 8-9 and "Other Items Not Covered by this Warranty" on page 20 of this manual.

**Federal
Emission Control Warranty**

This warranty is given in lieu of all other express or implied warranties on the part of Kia Motors America, Inc. or the Authorized Kia Dealer selling the Kia Vehicle. No dealer, or any agent or employee thereof, or any other person, is authorized to extend or enlarge this warranty.

The "Other Terms" stated on page 10 of the New Vehicle Limited Warranty section of this manual also apply to this warranty.

Emission Performance Warranty

Important Notice:

This warranty has been prepared in accordance with certain regulations promulgated by the EPA which provide that a remedy will be available under this warranty only when a vehicle fails an EPA approved emission short test, generally under circumstances which subject the Owner to a penalty under local, state or federal law because of such failure. As of the date of the printing of this warranty, many states did not have vehicle inspection programs for testing vehicles for conformity with such short test and had not enacted laws subjecting vehicle Owners to such penalties. Therefore, it is possible that in many states or local areas no remedy will be available under this warranty as a matter of law.

1. Warranty

Pursuant to Section 207 (b) of the Clean Air Act, Kia warrants to each Owner that if:

- (a) The Kia Vehicle is maintained and operated in accordance with the Written Maintenance Instructions; and
- (b) The Kia Vehicle fails to conform at any time during the term of this warranty to the applicable

emission standards of the EPA, as judged by an emission test approved by the EPA; and

- (c) Such nonconformity results or will result in the Owner having to bear any penalty or other sanction (including the denial of the right to use the Kia Vehicle) under local, state or Federal law, Kia shall remedy the nonconformity at no cost to Owner except that if the Kia Vehicle has been in operation for more than 24,000 miles or 24 months since the date of retail delivery or first use of the Kia Vehicle, Kia shall be required to remedy the nonconformity only if it results from the failure of an Emission Warranty Part listed on the 96 Month/80,000 Mile Emission Warranty Parts List.

2. Term of Warranty

This warranty shall commence on either the date the Kia Vehicle is sold to the first retail delivery or owner, or on the date the Kia Vehicle is first placed in service (for example, a demonstrator, lease, or company car use), whichever is earlier. This warranty shall be effective for a period 2 years or 24,000 miles

from such date, whichever occurs first, except that if the failure to conform to applicable emission standards results from the failure of a part listed on the 96 Month/80,000 Mile Emission Warranty Parts List at the end of this Federal Emission Control Warranty, this warranty shall be effective for a period of vehicle operation that does not exceed 96 months or 80,000 miles, whichever occurs first.

3. Owner's Warranty Responsibilities

Each Owner is required to comply with the Written Maintenance Instructions and a claim under this warranty may be denied on the basis of noncompliance by the Owner with such instructions. If and when it is considered that the vehicle's nonconformity with the applicable emission standards has resulted from the Owner's noncompliance with those Written Maintenance Instructions which the manufacturer considers necessary for the vehicle to meet the standards, the Owner may be required to submit evidence of such compliance, and therefore, receipts and other documents covering the performance of scheduled Maintenance Service and proper use in accordance with the Written Maintenance Instructions, including

but not limited to validated Scheduled Maintenance Record of this manual, should be retained by the Owner and should be transferred to each subsequent Owner of the Kia Vehicle.

4. Use of Kia Parts

The Kia Vehicle is designed, built and tested using Kia Parts so that the Kia Vehicle is able to perform in conformity with EPA regulations as provided by this warranty. Accordingly, it is recommended that any replacement parts used for maintenance, repair or replacement of the Kia Vehicle be Kia Parts, or parts equivalent to those with which the Kia Vehicle or its engine was originally equipped.

5. Use of Non-Kia Parts

Owner may elect to use Certified Parts other than Kia Parts in the performance of any maintenance or repairs and such use in itself will not invalidate this warranty. However, use of other than Kia Parts may cause Kia to deny an Emission Performance Warranty claim if the Certified Part used is either defective in materials or workmanship or not equivalent from an emission standpoint to Kia Parts.

6. Repair or Replacement by an Authorized Kia Dealer

Your Kia Dealer shall make all adjustments, repairs or replacements necessary to assure the Kia Vehicle complies with applicable emission standards of the EPA and that the Kia Vehicle will continue to comply during the remainder of the term of this warranty (if proper maintenance and operation are continued).

7. Warranty Claim Procedures

A warranty claim may be submitted by presenting the Kia Vehicle to any Authorized Kia Dealer during the Authorized Kia Dealer's regular business hours, together with a copy of a failed emissions test. Upon presentation of a claim, Kia shall notify the Owner within 30 days, or such shorter period of time within which repair is required by local, state or federal law, that the claim will be honored or shall provide the Owner in writing with an explanation of the basis upon which the claim is being denied.

Failure to notify the Owner within such time period shall cause Kia to be responsible for repairing the Kia Vehicle free of charge to the Owner, unless such

failure is attributable to the Owner or to events beyond the control of Kia or the Authorized Kia Dealer.

8. Maintenance by Other Than an Authorized Kia Dealer

Maintenance, replacement, or repair of the emission control devices and systems covered by this warranty may be performed by any automotive repair establishment or individual using Certified Parts. However, such non-Kia Certified Parts will not be covered by Kia's emission system warranties should such parts fail at a later date.

9. Customer Assistance

If you have any questions regarding your warranty rights and responsibilities, you should contact the Kia Motors America, Inc. Consumer Affairs Department toll-free at **1-800-333-4Kia**. Or you may write to: Director, Field Operations and Support Division (EN-397F), Environmental Protection Agency, 401 M Street, S.W., Washington, DC 20460.

10. Other Items Not Covered by This Warranty

In addition to the above provisions, this warranty does not cover the following:

- (a) Damage resulting from such factors as accidents, acts of nature or events beyond the control of Kia.
- (b) Any economic loss, incidental, special, consequential, or exemplary damages (whether in contract or tort), including, but not limited to, loss of time, inconvenience, loss of use of the Kia Vehicle, cost of transporting the Kia Vehicle to an Authorized Kia Dealer or other repair establishment for repair or service, lodging, car rentals, travel costs, loss of pay and any other expenses or damages.
- (c) Any repair of a Kia Vehicle on which the odometer mileage has been altered or on which the actual mileage cannot be readily determined.

(When replacing the speedometer, the "Speedometer Replacement Record" on the inside front cover must be filled in by an Authorized Kia Dealer or any repair establishment utilizing Certified Parts.)

This warranty is given in lieu of all other express or implied warranties (except those set forth separately in this manual) on the part of Kia Motors America Inc. or the Authorized Kia Dealer selling the Kia Vehicle. No dealer, or any agent or employee thereof, or any other person, is authorized to extend or enlarge this warranty.

This warranty is applicable to all the Kia Vehicles certified for the 50 states, including the State of California.

California Emission Control Warranty Statement

Your Warranty Rights And Obligations

The California Air Resources Board and Kia Motors America, Inc., are pleased to explain the emission control system warranty on your 2008 Kia vehicle. In California, new motor vehicles must be designed, built and equipped to meet the State's stringent anti-smog standards. Kia must warrant the emission control system on your Kia vehicle for the periods of time listed below provided there has been no abuse, neglect or improper maintenance of your Kia vehicle.

Your emission control system may include parts such as the carburetor or fuel-injection system, the ignition system, catalytic converter, and engine computer. Also included may be hoses, belts, connectors and other emission-related assemblies. Where a warrantable condition exists, Kia will repair your Kia vehicle at no cost to you including diagnosis, parts and labor.

Manufacturer's Warranty Coverage

For 3 years or 50,000 miles, whichever first occurs:

1. If your Kia vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by Kia to ensure that your vehicle passes the inspection. This is your emission control system PERFORMANCE WARRANTY.
2. If any emission-related part on your Kia vehicle is defective, the part will be repaired or replaced by Kia. This is your short-term emission control system DEFECTS WARRANTY.

For 7 years or 70,000 miles for emission related parts, whichever first occurs :
(8 years or 80,000 miles for Federal Emission Control Warranty)

If an emission-related part listed in this warranty booklet specially noted with coverage for 7 years or 70,000 miles is defective, the part will be repaired or replaced by Kia. This is your long-term emission control system DEFECTS WARRANTY.

For 2008 Spectra SULEV (Super Ultra Low Emission Vehicle) vehicle certified as partial zero-emission vehicle (PZEV) only, all parts covered under the PERFORMANCE WARRANTY and the DEFECT WARRANTY, which are listed in this warranty booklet on the Emission Warranty Parts List, are warranted for 15 years or 150,000 miles, whichever occurs first.

Owner's Warranty Responsibilities

As the Kia vehicle owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Kia recommends that you retain all receipts covering maintenance on your vehicle but Kia cannot deny warranty solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your Kia vehicle to a Kia dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the Kia vehicle owner, you should also be aware that Kia may deny you warranty coverage if your Kia vehicle or a part has failed due to abuse, neglect, improper maintenance or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, you should contact Kia Motors America, Inc., Consumer Affairs Department at **1-800-333-4Kia** or the California Air Resource Board at 9528 Telstar Avenue, El Monte, CA 91731.

Coverage

Kia Motors America, Inc. (Kia), warrants to the owner that any vehicle certified for sale in the State of California and registered in the State of California is designed, built and equipped so as to conform with the emissions standards adopted by the California Air Resources Board. Kia warrants that this vehicle is free from defects in material and workmanship which would cause any part on this vehicle which affects emissions to fail to conform with applicable requirements or to fail to pass a required state smog check test for 3 years or 50,000 miles, whichever occurs first. Kia also warrants that, any part on the warranted emissions parts list in this warranty and installed as original equipment, is free from defects in material and workmanship which would cause this vehicle to fail to conform with applicable regulations for 7 years or 70,000 miles, whichever first occurs.

For 2008 Spectra SULEV (Super Ultra Low Emission Vehicle) vehicle certified as partial zero-emission vehicle (PZEV) only, all parts covered under the PERFORMANCE WARRANTY and the DEFECT WARRANTY, which are listed in this warranty booklet on the Emission Warranty Parts List, are warranted for 15 years or 150,000 miles, whichever occurs first.

Warranty Service

To obtain warranty service, return the vehicle to any authorized Kia dealer. Service will be performed without charge for diagnosis, parts and labor. In case of emergency, see Emergency Service Instructions.

Exclusions

This warranty does not apply to failures caused by abuse, tampering or lack of maintenance; or to any vehicle on which the odometer mileage has been altered so that the vehicle's actual mileage cannot be determined.

STATEMENT OF OWNER'S RIGHTS AND OBLIGATIONS**What Is Covered By The Warranty**

If a vehicle fails a state Smog Check test during the coverage period, Kia will repair the vehicle so that it will pass a state Smog Check retest. The owner should take the vehicle to any authorized dealer for Warranty repairs and present a copy of the failed Smog Check test report to the dealer. If the owner is not notified within 30 days that a performance warranty claim is not valid then the manufacture is required to repair the vehicle free of charge.

In addition, if a warranted part fails because of a defect, Kia will repair or replace it at any authorized Kia dealer. Any other parts damaged by the failure of a warranted part will also be repaired or replaced. The repair and/or replacement will be made at no charge to the owner for parts, labor and diagnosis. For emergency situations, see the instructions under Emergency Service.

How Long Does The Warranty Last

The warranty shall apply for 3 years or 50,000 miles, whichever occurs first, except that those parts listed on the warranted parts list are covered for 7 years or 70,000 miles, whichever first occurs, for 2008 Spectra SULEV (Super Ultra Low Emission Vehicle) vehicle certified as partial zero-emission vehicle (PZEV) only, all parts covered under the PERFORMANCE WARRANTY and the DEFECT WARRANTY, which are listed in this warranty booklet on the Emission Warranty Parts List, are warranted for 15 years or 150,000 miles ,whichever occurs first. Where parts are scheduled for replacement as required maintenance, the warranty shall apply until the first scheduled maintenance point listed in the Owner's Manual. This warranty begins on the date the vehicle is delivered to the original purchaser or on the date the vehicle is first placed in service, whichever occurs first.

What The Owner Must Do

It is your responsibility to perform the required maintenance and use the vehicle in accordance with Kia's written instructions. Warranty coverage will not be denied solely because there is no record of maintenance. However, failures caused by lack of required maintenance are not covered by the warranty. To avoid questions as to whether the vehicle maintenance has been performed, Kia urges that you retain all receipts and/or maintenance records indicating that service has been performed on the vehicle and these documents should be transferred to any subsequent owner of the vehicle.

Service

MAINTENANCE SERVICE CAN BE PERFORMED BY ANY QUALIFIED SERVICE OUTLET OR BY THE OWNER. HOWEVER, EXCEPT IN AN EMERGENCY SITUATION (SEE EMERGENCY SERVICE), WARRANTY SERVICE MUST BE PERFORMED BY AN AUTHORIZED KIA DEALER.

Parts

IT IS RECOMMENDED THAT ANY REPLACEMENT PARTS USED FOR MAINTENANCE OR FOR THE REPAIR OF EMISSIONS CONTROL SYSTEMS BE NEW, GENUINE KIA PARTS. However, the warranty obligations are not dependent upon the use of any particular brand of replacement parts. The owner may elect to use non-Kia parts for maintenance purposes. Use of replacement parts which are not of equivalent quality may impair the effectiveness of emissions control systems.

What Is Not Covered By Emission Warranty

Malfunctions in any part caused by misuse, alteration, tampering, disconnection or improper or inadequate maintenance.

Damage to catalytic converter due to use of leaded gasoline.

Damage resulting from fire, accident, negligence, act of God or other events beyond the control of Kia.

Maintenance replacement parts (such as spark plugs) beyond the first scheduled replacement point.

Incidental or consequential damages such as loss of use of the vehicle, loss of time, inconvenience, expense for gasoline, telephone, travel or lodging.

Any vehicle on which the odometer mileage has been altered so that actual vehicle mileage cannot readily be determined. (When the Owner replaces the speedometer or has it replaced by a repair facility, then the "Speedometer Replacement Record" on the inside front cover must be filled in by an Authorized Kia Dealer.)

Loss or damage to personal property, loss of revenue, commercial loss or other matter not specifically included.

Damage resulting from the use of a non-Kia part.

Emergency Service

If emergency Emission Control System Warranty service is required and the owner is unable to readily locate an authorized Kia dealer or if a warranted part is not available within 30 days, then, repairs may be performed at any available service establishment, or by the owner, using any replacement part. Kia will reimburse the owner for the owner's expenses including diagnostic charges for such emergency repair or replacement at Kia's suggested

retail price for all warranted parts replaced and labor charges based on Kia's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate. Replaced parts and copies of paid original receipts must be available for presentation to Kia as a condition of reimbursement for these emergency repairs. In addition, the owner must provide Kia a detailed description indicating why the situation was considered an emergency and why an authorized Kia dealer was not available. Additional information may be obtained by calling **1-800-333-4Kia**. A repair not being complete within 30 days constitutes an emergency.

ATTACHED IS A LIST OF COMPONENTS WARRANTED AGAINST DEFECTS IN MATERIAL AND WORKMANSHIP FOR 7 YEARS OR 70,000 MILES ON VEHICLES/ENGINES AS NOTED.

Replacement Parts and Accessories Limited Warranty

Kia Motors America, Inc. warrants that Kia genuine replacement parts and Kia Accessories are free from defects in materials or workmanship, subject to the following terms and conditions.

This warranty covers genuine Kia new or remanufactured replacement parts and Kia Accessories sold by an Authorized Kia Dealer. This includes Kia Accessories installed by an Authorized Kia Dealer or Kia Motors America, Inc. prior to the retail delivery of a new Kia Vehicle.

An Authorized Kia Dealer will either repair or replace any replacement part or accessory to correct any problem covered by this warranty. If the part or accessory was installed by an Authorized Kia Dealer or Kia, it will be repaired or replaced without charge for parts and labor to the owner; if it was installed by anyone else, it will be repaired or replaced without charge for the parts, but the labor charge will be your responsibility.

Warranty Period

- **Replacement Parts**

Replacement Kia parts (except battery) installed by an Authorized Kia Dealer under warranty are covered for the greater of (1) the duration of the New Vehicle Limited Warranty or (2) the first 12 months from the date of installation of the replacement Kia part or 12,000 miles.

- **Replacement Kia Battery**

This warranty applies only to Genuine Kia replacement batteries purchased from an Authorized Kia Dealer in the United States. Genuine Kia replacement batteries are covered by a limited warranty for the period of 36 months from the date of installation, regardless of mileage. During the first 12 months of the warranty period a defective Kia replacement battery will be replaced at no charge for the new battery, labor or installation. If a Kia replacement battery fails during the last 24 months of the 36-month warranty period, you will receive a prorated credit toward the purchase of a new Kia

battery. You are responsible for all diagnostic, labor and installation charges.

Pro-Ration Chart:

<u>Months Of Use</u>	<u>Customer Portion</u>	<u>Warranty Portion</u>
13-16 months	10%	90%
17-20 months	30%	70%
21-23 months	45%	55%
24-26 months	60%	40%
27-30 months	75%	25%
31-33 months	85%	15%
34-36 months	90%	10%

Kia will not reimburse you for any portion of the cost of a non-Kia replacement battery.

- **Accessories**

An accessory installed by Kia or an Authorized Kia Dealer on a new vehicle at the time of, or prior to the vehicle's date of delivery to the original retail purchaser, or the date the vehicle is first put into service, is covered under the New Vehicle Limited Warranty and is limited to 60 months from the date of original retail delivery date of first use, or 60,000 miles, whichever occurs first.

An accessory installed by an Authorized Kia Dealer after the vehicle was delivered to the original retail purchaser or first put into service shall be warranted for twelve (12) months or twelve thousand (12,000) miles, whichever occurs first, from the date of purchase or installation of the accessory.

An air conditioning system installed by Kia or an Authorized Kia Dealer covered for twelve (12) months or twelve thousand (12,000) miles, whichever occurs first, or the remainder of the New Vehicle Limited Warranty, whichever is greater, from the date of installation. Over-The-Counter : Genuine Kia Parts Including (Audio, Air-Conditioning), genuine Kia accessories or service parts, purchased over-the-counter and installed by

other than a Kia dealer is warranted for twelve (12) months/unlimited mileage. The warranty covers repair or replacement of the part only and does not cover labor.

What Is Not Covered

- Damage or corrosion due to such factors as accidents, negligence, improper repairs or adjustments, misuse, alterations or collision.
- Damage or surface corrosion from environment such as acid rain, airborne fallout (chemicals, tree sap), stones, salt, road hazards, hail, wind storm, lightning, floods and other acts of God.
- Normal wear, tear or deterioration such as discoloration, fading, deformation, etc.
- Air conditioner refrigerant charge after the first 12 months, unless replenished as part of a warranty repair.
- Replacement parts or accessories installed on a Kia Vehicle in which the odometer has been altered, or on which the actual mileage cannot be readily determined.
- Replacement parts or accessories used in applications for which they are not designed.

- Replacement parts or accessories installed improperly by other than an Authorized Kia Dealer or Kia.
- Any replacement part or accessory without proof of purchase or replacement date.
- Non-Kia replacement parts or accessories which an Authorized Kia Dealer may sell or install on your Kia Vehicle.

To Get Warranty Service

You must take your Kia Vehicle, along with this manual and proof of purchase or replacement date, to an Authorized Kia Dealer in the United States during its normal service hours. If you have any questions or need assistance regarding this warranty, refer to “When You Need to Talk to Kia” starting on page 43.

Limited Liability

The liability of Kia Motors America, Inc. under this warranty is limited solely to the repair or replacement of Kia-supplied parts, defective in materials or workmanship, by an Authorized Kia Dealer at its place of business, and specifically does not include any expense of or related to transportation to such a dealer or payment for loss of use of the Kia Vehicle during warranty repairs.

Other Terms

The “Other Terms” stated on page 10 in the New Vehicle Limited Warranty also apply to this warranty.

The service records on this and the following pages have been designed to include the signature of your Authorized Kia Dealer representative or other repair establishment representative. This signed form is evidence of completion of maintenance services and should be kept with the receipts, repair orders and invoices in the glove box. All records should be given to any subsequent owner of the Kia Vehicle. Claims made during the warranty term will not qualify under the warranty if resulting from lack of maintenance rather than from defective material or workmanship

Scheduled Maintenance Intervals

For your reference, the chart below shows the basic intervals of the scheduled maintenance. Refer to your Owner's Manual to make sure of the complete schedule.

NORMAL DRIVING CONDITION	7,500 MILES or 7.5 MONTHS
SEVERE DRIVING CONDITION*	5,000 MILES or 5 MONTHS

*Refer to your Owner's Manual for the specific conditions.
